Do you want to create a unique streetscape? Want your precinct to stand out from the rest?

Why not ask Commercial Systems Australia (CSA) to custom design and manufacture cast end furniture just for you. We manufacture all our castings here in Australia, so you don't have any expensive shipping costs or minimum repeat order quantities. If you have a project requiring 20 or more seats then this option is for you.

DESIGN

CSA employs full time Product Design Engineers to assist in the development of ideas through to full computer aided shop drawings. Trained in the finer skills of shape, material, anthropometrics, ergonomics and colour, our design staff offer the opportunity for unique furniture to suit your projects needs.
